MEMORANDUM FOR: [REDACTED]

SUBJECT : Baker Report

1. Forwarded herewith is a package consisting of the report by Senator Baker of his investigation of possible CIA involvement in "Watergate", released on 2 July 1974. It has exchanges of correspondence between Senator Baker and DCI Colby. Also attached is a copy of comments on the Baker Report prepared by [REDACTED] and me in the latter part of 1974. Our comments were provided to the Rockefeller Commission, the SSC and HSC, and more recently another copy was provided to Senator Baker's staff representative, Michael Madigan. This material is bulky but it treats most of the issues raised in the course of the Watergate investigation.

2. You may wish to review it in your spare time and decide how much, if any of it, should be brought to the attention of the Director. I will be happy to discuss it with you should you wish to do so.

MEMORANDUM FOR: Secretary, CIA Management Committee

FROM : Inspector General

SUBJECT : Returnee Interview Program

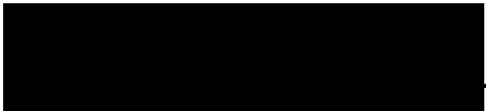

REFERENCE : MCA-118

1. In a memorandum dated 29 January 1975 the Inspector General recommended that his office's program to interview returnees from overseas be terminated and that the Inspector General merely be added to the returnee processing system. That was approved by the Management Committee on 10 February. This memorandum proposes the reinstitution of the program.

2. Prior to the termination of the component survey program in June 1973, the Inspector General maintained a program of interviewing selected returnees from overseas as a means of keeping current on various matters of interest abroad, and to help identify possible problem areas where they might exist. With the termination of the component survey program, it was found that the activity lost much of its usefulness. This led to the recommendation that it be terminated. Now that the Inspector General is involved again in component inspections, it is felt that the Returnee Interview Program will be useful again.

Recommendation:

It is recommended that the Inspector General be authorized to reinstitute a Returnee Interview Program.
